SITHUMINI ANUHANSI

CERTIFICATIONS

March 2025 - Present	Certificate in Full-Stack Development (Part-time) SKYREK Academy MERN Stack: • Basic HTML, CSS, JavaScript and OOP • MongoDB, Express.js, Node.js, React.js
-------------------------------	---

PROJECTS

- **Food Ordering System** - Modern web application-based ordering system with admin, customer, kitchen, and delivery staff modules (PHP, MySQL). (**GitLab link:** <https://gitlab.com/sithumini-anuhansi-group/fo-system>)
- **University Management System** - Desktop application for managing student records and enrolments with login and role-based access (Java & MySQL). (**GitHub link:** <https://github.com/Sithumini-Anuhansi/University-Management-System.git>)
- **Printing Management System** - Web-based printing management system to manage the internal operations of a small scaled printing press. Includes identification of project scope, apply data collection techniques, design a system to meet requirements, program and implement the system and use testing strategies to test requirements of the system. Built using Bootstrap for frontend and Laravel framework for backend. (**GitHub link:** <https://github.com/Sithumini-Anuhansi/Printing-Management-System.git>)

LEADERSHIP AND EXTRA-CURRICULAR ACTIVITIES

- **Deputy Head Prefect** - Adventist International School, Negombo (2021)
- **Sports Head (Girl)** - Adventist International School, Negombo (2021)
- **Prefect** - Adventist International School, Negombo (2016-2017, 2019)
- **Member (past)** - Western Band and Choir (vocalist) at Adventist International School, Negombo
- **Member (active)** - Rotaract Club of NIBM, AIESEC in NIBM
- **Sports** - Athletics and Netball
